

Commute Options

TBARTA Commuter Services Can Help You... Cut Gas Use and Costs NOW!

Are gas costs putting a dent in your budget? Tampa Bay Area Regional Transportation Authority (TBARTA) Commuter Services is here to assist you with ways to both conserve and cut the costs associated with the commute to and from work. Here are some of the "right now" ways to cut costs:

Follow the links for more information.

- **[TBARTA E-NEWS](#)**: Stay on top of what's going on here at TBARTA. We send out periodic updates to our subscribers about what is going on in the transportation industry.
- **[CARPOOLING](#)**: Two or more people sharing the ride to and from work, school or other activities (and yes, spouses count)!
- **[VANPOOLING](#)**: A group of five or more people regularly sharing the ride to and from work each week. There is a fee to participate, based on the monthly distance traveled; participants share gas, toll and parking expenses where applicable.
- **[RIDE THE BUS](#)**: Take reading materials with you; it'll be time well spent, as well as money and gas saved.
- **[TELEWORK](#)**: How would you like to go to work and not even leave your house? Try teleworking.
- **[RIDE YOUR BICYCLE](#)**: There is safety in numbers, and we can help with that. You can use our online ridematching software to find Bike Buddies to share the ride with!
- **[EMERGENCY RIDE HOME](#)**: In case of an unexpected emergency, BACS offers a free* taxi ride from work to home to registered participants who use a commute option other than driving alone at least two days per week.
- **[ENVIRONMENTAL IMPACT CALCULATOR](#)**: How much money can you save by carpooling? How much gas? How much can you reduce your Carbon Footprint by? This downloadable tool will show you.
- **[COMPRESSED/FLEXIBLE WORK WEEKS](#)**: Ask your employer about compressed work weeks (working 5 days in 4, for example) and/or flexible work hours.
